About Audio Bank Project

Audio Bank on Biodiversity and Traditional Healing Project started from year 1990 and at present there are Audio Files of several Thousands hours. This project is focused on Pankaj Oudhia’s work on Biodiversity and Traditional Healing. The Audio Files are in English, Hindi and Chhattisgarhi. Hundreds of interviews with Traditional Healers, Herb Collectors, Herb Traders, Traditional Cancer Experts, Traditional Snake Experts, Medicinal Rice Growers, Traditional Agricultural Knowledge Experts, Traditional Entomotherapists etc. are important part of this project. The efforts are in progress to present this Audio Bank through pankajoudhia.com
